

# Cleantech Futures: 10th Anniversary and Cleantech Venture Day

(Virtual and in Cambridge, 20<sup>th</sup> & 21<sup>st</sup> October 2021)

Join our two-day conference celebrating the innovative climate technologies from Cambridge, the UK and across the world on the 20th and 21st October 2021. This year marks a momentous event for us as along with the UK hosting the COP26 in Glasgow in November, it happens to be the ten-year anniversary of Cambridge Cleantech.

## Day 1: Cleantech Futures: Exploring a Decade of Cleantech Innovation

[Book a ticket here](#)

Wednesday 20<sup>th</sup> October 2021 | 10:30 am – 13:30 pm BST & 17:00 – 18:30 BST

Join us as we celebrate our tenth anniversary and the contributions of cleantech innovators from around the globe. The Cambridge Cleantech annual conference is your opportunity to meet and network with the changemakers of the cleantech world, and to learn from the very best in the sector.
